

## **International Health Insurance**

1) All D-2 holders must be registered for the National Health Insurance (NHI) since March 2021. Exchange students and visiting students will be subject to the registration after foreign registration. Note individual international insurance will be still required, as the national health insurance will not be available until the FRC is issued. OIA can introduce insurance for international students from one of Korean insurance companies for the bridging period. Detailed information such as application link and instruction will be shared later.
